are happy to inform their MILLION of readers and THE millions that are to come, that at great expense they have secured a strangely real and powerful story, entitled

CALAMITY JANE,

THE QUEEN OF THE PLAINS.

A Tale of Daring Deeds by a Brave Woman's Hands

This story is from the pen of a New Contributor,

A Great Trapper and Hunter,

a man who lives amid the scenes he describes, and knows the men and women he writes about, a story which lacks some of the beauty and finish which a practiced pen would give, but makes up a thousand-fold in Wild Reality, Truth, Originality and Power of Description. The writer has exerted his best efforts, and comes to

with a vivid freshness which will make the name of

a horsehold word with the readers of the **NEW YORK WEEKLY**. The dramatis persons of **CALAMITY JANE** are made up of road-agents, train robbers, gold diggers, Heathen Chinec, etc. ctc. No stranger character
